BELDEN SCHOOL

HIGH SCHOOL

This, as citizens, we all inherit. This is ours, to love and live upon, and use wisely down all the generations of the future.

Shall we not learn from life its laws, dynamics, balances? Learn to base our needs not on death, destruction, waste, but on renewal?

BELDEN REBELS
PROPERTY OF LEE COUNTY BUS NO.

Ours is a society held in esteem by many and in contempt by few. The annals of history are filled with our accomplishments and are tainted by our mistakes. We are fast approaching the time when we will hold the pen that writes the history our children will study.

IN DEDICATION TO . . .

MR. ROBIN YOUNG

Thanks for being very considerate kind and longsuffering,
Thanks for your confident guidance and gentle prodding,
For being a friend as well as principal,
Most of all thanks for the progress BHS has made with you at the helm. With deep emotion and true devotion we follow the captain.

COACH BILLY PANNELL

Your quiet gentle smile wins friends,
As coach we appreciate everything you have done for basketball,
As well as other things large and small.
You have made it a better year,
Simply by just being here.
From the bottom of the Seniors heart,
We are sorry we have to part.

TO YOU BOTH ...

We will never forget

All the knowledge you have shared

That we for the future should be prepared

Grateful for this and other things

Which thought of you to memory brings,

We, this book of 73,

Proudly dedicate to thee.

ADMINISTRATION

OUR PRINCIPAL SPEAKS . . .

A school's responsibility is not unlike that of a parent. We only succeed when we have equipped a boy or girl to that point in life where we are no longer needed. And while we want your affection and good will, our responsibility to make you independent of us must come first. To that end the school staff has dedicated itself.

To the entire staff goes my sincere appreciation for working hard and long to make this a rewarding year for Belden School. Your willingness to go beyond normal expectations and give that extra effort has been demonstrated many times.

To the student body goes my congratulations for the strides you have made in accepting your responsibility as students, a responsibility which involves giving and receiving in the process of learning. You have become a student body on which we can rely for constructive support and independent thought.

Finally, I would remind you that education is a journey. One that must be never ending. To feel you have arrived is a sure sign that you have not yet begun.

Challenge You

Go placidly amid the noise and haste, and remember what peace there may be in silence. As far as possible without surrender be on good terms with all persons. Speak your truth quietly and clearly; and listen to others, even the dull and ignorant; they too have their story.

Avoid loud and aggressive persons, they are vexations to the spirit. If you compare yourself with others, you may become vain and bitter; for always there will be greater and lesser persons than yourself. Enjoy your achievements as well as your plans.

Keep interested in your own career, however humble; it is a real possession in the changing fortunes of time. Exercise caution in your business affairs; for the world is full of trickery. But let this not blind you to what virtue there is; Many persons strive for high ideals; and everywhere life is full of heroism.

Be yourself. Especially, do not feign affection. Neither be cynical about love; for in the face of all aridity and disenchantment it is perennial as the grass.

Take kindly to the counsel of the years, gracefully surrendering the things of youth. Nurture strength of spirit to shield you in sudden misfortune. But do not distress yourself with imaginings. Many fears are born of fatigue and loneliness. Beyond a wholesome discipline, be gentle with yourself.

You are a child of the universe, no less than the trees and the stars; you have a right to be here. And whether or not it is clear to you, no doubt the universe is unfolding as it should.

Therefore be at peace with God, whatever you conceive Him to be, and whatever your labors and aspirations, in the noisy confusion of life keep peace with your soul.

With all its sham, drudgery and broken dreams, it is still a beautiful world. Be careful. Strive to be happy.

ANNUAL STAFF

EDITORS MESSAGE

We, the Annual Staff, hope that as you turned the pages of the REBEL you shared with us some of our fondest memories and past experiences.

The publication of this annual has been a challenge to us. It has required the co-operation of our sponsor, staff, students, and those who have so generously contributed their support through advertisements. Our thanks go to everyone who has helped us.

I would like to personally thank our advisor, Mrs. Burma Schumpert, and our Business Manager, Donna Jones, for all the help they have given me in publishing the 1972-73 edition of the REBEL.

Sincerely yours,

Susan Lessel

finds its morning and is refreshed.
